United State District Court
Southern District of New York
500 Pearl Street

Re: United States v. Roger Thomas Clark
15-cr-866 (WHP)

Dear Judge Pauley:

I write to seek a five-day extension of time to file my reply brief in support of Mr. Clark's motion to suppress physical evidence and statements and to obtain additional discovery. My reply is now due on January 8, 2020. I ask that the Court grant me until January 13, 2020, to file. The government consents to this request.

Over the holiday I contracted a virus. As a result, I have been unable to work since December 26. I anticipate being well enough to begin working again tomorrow. The additional time will compensate for the time I was unable to work and will enable me to do a thorough job research and drafting the reply. Additionally, and importantly, the extension will give me an opportunity to fully review everything with Mr. Clark. As the Court knows he has been (and remains) fully involved in all aspects of his defense.

I have not previously sought an extension of this deadline.

Respectfully submitted,

_____/S/_____
Stephanie Carvlin
